The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Branch Industrial Park Force Main Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Allegany County Government located at 701 Kelly Road, Cumberland, Maryland, 21502. The funding would be used for the replacement of a four-mile deteriorated force main. The project is an appropriate use of taxpayer funds because the force main serves residents and various businesses of the community who would directly benefit from new, reliable wastewater infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized under Section Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "April McClain Delaney", with a long, sweeping underline.
