Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Taney Avenue Senior Center and Senior Affordable Housing Project in Fiscal Year 2026. The entity to receive funding for this project is Frederick County Government, Maryland, located at 12 E. Church St., Frederick, Maryland, 21701. The funding will be used to redevelop the Frederick 50+ Community Center, expanding senior services and adding affordable housing for seniors. It will cover pre-development costs such as architectural design, engineering, and the creation of deeply subsidized housing units for low-income seniors. The project is an appropriate use of taxpayer funds because it addresses the urgent need for affordable housing for extremely low-income seniors and expands space for vital senior programming. By redeveloping the facility, it will support a growing and vulnerable population while promoting aging in place and reducing housing insecurity. The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, reading "April McClain Delaney".
