Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Capacity Expansion at Frederick Health Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Frederick, located at 101 N. Court St, Frederick, Maryland 21701. The funding would be used for the purchase of necessary medical equipment for the conversion of offices to 20 private patient accommodations. The project is an appropriate use of taxpayer funds because of the rising population in Frederick and need for additional capacity to best serve patients and residents within the community.

The project has a federal nexus because the funding provided is consistent with purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "April McClain Delaney", with a long, sweeping underline.
