Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Friendsville Water Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Garrett County Sanitary District, Inc., located at 175 Bear Creek Ct, Friendsville, Maryland, 21531. The funding would be used for development of two groundwater source wells, water tank construction and improvements to existing tanks, and upgraded distribution system. The project is an appropriate use of taxpayer funds because it will address documented public health and regulatory concerns for the existing water system that serves the town.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "April McClain Delaney".
