Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hagerstown Police Department Mobile Radio Upgrade program in Fiscal Year 2027. The entity to receive funding for this project is the Hagerstown Police Department, located at 50 N. Burhans Blvd. Hagerstown, MD 21740 . The funding would be used for the purchase of 105 mobile radios, warranty and smart programming services for the police department. The project is an appropriate use of taxpayer funds because it will ensure communication reliability during high-stakes operations, along with a GPS function to locate personnel in real time, enhancing situational awareness and coordination to protect the community.

The project has a federal nexus because the funding provided is for purposes authorized under section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "April McClain Delaney".
