The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Brunswick Pedestrian Bridge project in Fiscal Year 2027. The entity to receive funding for this project is the City of Brunswick, located at 100 South Maple Avenue, Brunswick, Maryland, 21716. The funding would be used for NEPA documentation and the design phase of a new Multi Modal Pedestrian Bridge. The project is an appropriate use of taxpayer funds because it will establish a safe, full grade separated crossing over the CSX rail line at the MARC Brunswick Station to eradicate currently unsafe travel conditions for pedestrians.

The project has a federal nexus because the funding provided is consistent with purposes authorized by section 22907 of title 49 of the United States code.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "April McClain Delaney".
