Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Golden Mile Multimodal Land and Safety Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Frederick, located at 1041 W Patrick St, Frederick, Maryland, 21702. The funding would be used for the construction of a bus-only land and safety improvements along a commercial corridor known as the "Golden Mile". The project is an appropriate use of taxpayer funds because it will make the Golden Mile more accessible, reduce congestion, and increase residents ability to use public transit, walk, or bike to their destination.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, reading "April McClain Delaney".
